RE: INVESTIGATION ACTIVITIES

Petition Against Sir (Dr.) Mike Mbama Okiro, Chairman, Police Service Commission
for Corruption, Abuse of Office and Fraudulent Act to Swindle the Police Service
Commission to the tune of N275,525,000 only

The above captioned petition forwarded from your office on the 25th May, 2015, refers.

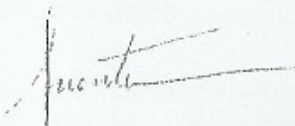

2. The Commission has conducted thorough investigation into the matters raised in the referred petition and found:

- (i) That the Police Service Commission (PSC) received the sum of Three hundred and fifty million naira (N350m) from the Federal Government to monitor the conduct of Police Personnel at the recently conducted General election. The Commission budgetted to expend the fund on training and physical monitoring during the election.
- (ii) Investigation findings revealed that the Commission budgetted for training of 900 staff and to conduct training in Abuja, Lagos and Kano. However, the entire staff force was not more than 391 and that is the figure actually trained in a programme held in Abuja only. The Commission accepted the explanation that due process could not be adhered to strictly because of time constraint.
- (iii) The Police Service Commission paid DTA to all staff including those based in Abuja that participated in the training programme held within Abuja. Air-Ticket and DTA were paid to Management staff and others who monitored elections within Abuja and its environs; even at locations where Airports do not exist such as Lokoja and Minna (schedule of affected officers attached).
- (iv) It was also confirmed that the Chairman collected 5 days each for two Conferences that ran simultaneously in Dublin and Orlando, Florida. However, it was

discovered that he expended the entire 10days on the trip. Though, he only expended the ticket-fare for Abuja-Durblin-Abuja, he has however, written to the Presidency to expend the ticket-fare for Abuja-Orlando-Abuja on another trip coming up by October, 2015.

3. The investigation has not revealed any act of criminal infraction against the person of Sir (Dr.) Mike Mbama Okoro, the Chairman of the Police Service Service as all issues outlined above are administrative in nature and within the ambits of career public servants handlings. Consequently, this Commission hereby direct as follows:

- (a) That, the total balance of N133,413,845.99 from the N350,000,000 2015 Election monitoring exercise domiciled within FCMB be remitted to the Federal Treasury through the ICPC Recovery Account No. 1012929790 at Zenith Bank Plc.
 - (b) That, the Staff of your Commission who took part in the 2015 General Election Monitoring Exercise and were paid 2-way Return Ticket and Airport Taxi to location within FCT and States of close proximity to Abuja amounting to N11,750,000 (list attached) should refund same to the Treasury through the ICPC Recovery Account No. 1012929790 at Zenith Bank Plc.
 - (c) That, if the Presidency approves of the utilization of the application by the Chairman to utilise the Abuja-Orlando-Abuja airfare for an upcoming conference, we will consider the matter. However, if approval is refused the fund thereof should nbe returned to the Police Service Commission and ICPC so informed.
4. The Permanent Secretary is invited to note that investigation is on-going on the allegation of corrupt demand for gratification by the Publisher of "Pilot Newspaper" and his Editor. The conclusion of the matter shall be communicated in due course.
5. Accept the assurances of my highest regards, please.

Ekpo Nta, Esq.
Hon. Chairman
